How does easyfundraising work?

easyfundraising partners with over 8,000 retailers, so when an online shopper makes a purchase, the retailer donates a percentage of what they've spent to your club for free. Everyone is welcome; you don't have to be a charity to register.

Get sponsors for free!

Find a business backer for your club and encourage local businesses to support your cause by shopping online. Every purchase, from office supplies to travel, earns free donations for your group. Get the hidden gems within your club to register and ask local businesses to join in.

"We are a small sports organisation with limited income streams, signing up to easyfundraising was a shot in the arm for us to create a very useful income at no cost to the club or its members."
