

# More free funding in-store...

Your club

£2.75 raised

## There's good news in-store for our bowls clubs!

Your bowls club can now benefit when your community do their weekly big shop at Tesco, take a trip to John Lewis, indulge in Hotel Chocolat and more thanks to easyfundraising. Already over £9m has been given to sports causes UK wide, simply through supporters shopping online and collecting free cashback donations – but in 2026, easyfundraising is on offer in-store at selected retailers, too. A year-round source of funding for equipment, facility hire, overheads and all the other costs that are so challenging to fundraise for. If you're not using easyfundraising yet, join today at:
